

STRATO VENEER

About us

A legacy of style for everyone...

Durian is one of India's leading interior solution providers. Want to know why? Because we have come a long way in making your spaces beautiful, since 1985.

At Durian, we believe that innovation, passion and experience go hand in hand. As that's what helps us stay in tune with the country's evolving furniture needs and come up with path-breaking ideas that bring every space alive.

The start that was humble A journey that has been incredible...

Our story began in 1981 with wholesale and retail trade of plywood. Today, we take pride in bringing you interior solutions for every sector, space and taste. Our portfolio includes Plywood, Veneer, Laminates, Home and Office Furniture, Doors and Door Frames and Institutional sales.

Giving your interiors and imagination the much deserved attention...

Who doesn't like to build their own space?
We don't just offer you our designs, we give you the platform to shape your interiors as per your lifestyle. Be it your home or your office, we cater to all your needs and help transform your spaces with our holistic designs made in our state-of-the-art manufacturing units.

Why Choose Durian

Over 4 Decades of Experience

Best Quality Materials used for Manufacturing

State of the Art Manufacturing

Fully Vertically Integration

Robust & Stringent Quality Check

PAN India Presence

WHY CHOOSE STRATO VENEER

1. **India's first & Only company** that's use **HDHMR & Hardwood Base** that ensures smooth **surface thus** making best Quality Veneer available for varied application.

Advantages of HDHMR

Higher Density 800-820Kg/m³

Tougher than Plywood

Water Resistance

Borer & Termite Resistance

Advantage of Hardwood

- We use pure Hardwood & Not Poplar wood
 - Tougher than Poplar wood which is generally used
 - Higher Density
2. **Versatility:** Aesthetic like a Natural Veneer. Since it is easy to use, it is used for many interior furnishing projects
 3. **Plush Look** - The Polish that we use gives unique finish to the veneer
 4. **Uniformity:** Similar Grain & Colour achievable. This gives uniformity in look to any space
 5. **Readily available**
 6. **Economical & Pocket Friendly**
 7. **Environmentally Friendly**
